NATIONAL PTA REFLECTIONS®

# WITHIN REACH

The Reflections Program is a National PTA and Washington State PTA cultural arts competition. Designed to enhance rather than replace a quality arts education, the national PTA® Reflections Program provides opportunities for students, preschool through 12th grade, to express themselves and to receive positive recognition for their artistic efforts. Since 1969, the PTA Reflections Program has inspired millions of students across the nation to reflect on a specific theme and create original artwork.

## ***The 2017-2018 Theme is "WITHIN REACH"***

Liberty High Students can enter a total of up to 3 pieces of artwork in any of the following 6 categories:

**Literature • Visual Arts • Photography • Film Production

**Washington State PTA has revised some of the rules and guidelines for the entry categories. Please visit the Reflections Page on the Liberty High PTSA to review these guidelines.**
