Senior Picture Submission INFO

There will be two deadlines for Senior Yearbook Portraits this year. The first deadline will be Tuesday, November 1st, 2024. The second (and **FINAL**) deadline will be Thursday, December 1st, 2024. To be clear, the first deadline is soft, meaning you still have until the second deadline to officially submit your portrait but we would like them as close to the November 1st deadline as possible. The second deadline is the **hard and final** deadline for your portrait. No portraits will be accepted after the second deadline.

You are free to use your own photographer for Senior Portraits or take your own picture using your phone. The portrait mode on phones takes nice pictures. If no portrait is received by December 1st, we will use student ID photos taken on campus by Dorian at the beginning of the school year (your ASB photo).

Please follow the instructions for submission carefully. We will be sorting through 600+ photos so correctly naming the photo is REALLY important.

Portrait Guidelines:

We are looking for a classic headshot image of your student. The best photos are those with simple backgrounds, with space above the head and shoulders for ample cropping. Ideal images are those taken in a vertical manner. The higher the resolution, the better. I would recommend at least 300 DPI.

Senior Picture Submission Instructions

Senior pictures (both baby & senior pic) and senior quotes are due on November 1st. We only need ONE senior photo and ONE baby photo. Below is a sample of how these pictures will appear in the yearbook.

VERY IMPORTANT -- When you submit your photos **PLEASE FOLLOW THE STEPS BELOW** – if you do not rename your photo, it makes it very difficult to identify the student

How to submit your **SENIOR PICTURE** and **BABY PICTURE**:

Step 1: Rename your photo with your student's name and photo type (last name, first name – senior pic) If you do not rename the photo, it is very difficult for us to identify your student.

- Using a PC or Mac simply right click on the photo and select 'rename'

Example: Smith, John – senior picture **OR** Smith, John – baby picture

It should look like this when submitting it.

Step 2: Follow this link: <https://images.jostens.com/0n9krmV7Pv3N-j8GVhSGYiA>

and follow instructions.

How to submit your **SENIOR QUOTE**:

Follow this [LINK](#) -- you may need to login to your Microsoft 365 account. It is the same as your school login.

If you have any questions, please let me know.

Thanks,
